Dear Consumer,

Thank you for purchasing an appliance from Burley Appliances Ltd.

We would like to congratulate you on choosing a product from one of Burley / Magiglo Strax select range of quality appliances.

We aim to provide the highest standards of customer care and after sales service. By registering your purchase with Burley, using the consumer registration form opposite or online at www.magiglo.co.uk/registration.htm, you enable us to continually improve these services.

We are confident that your new appliance will provide you with many years of satisfaction and comfort. Once again, thank you for purchasing a Burley fire.

Yours sincerely,

The Customer Service Team

Your Guarantee

General

In the unlikely event of a defect in materials or workmanship occurring within **one year** of purchase, Burley Appliances Ltd will arrange to repair or replace the item free of charge.

Any claims under this initial guarantee should be made through the retailer from whom the product was purchased. This is to give the retailer/installer the opportunity to verify that the local conditions are satisfactory.

Burley Appliances reserve the right to refuse service or make a charge for any service call, when a defect is due to installation error or misuse.

Failure to have this appliance fitted by a Gas Safe™ Registered Installer invalidates the warranty.

Burley Flueless 2nd Year Free Warranty Conditions.

To obtain your first year guarantee, both the installer and customer must fill in this guarantee form and return it to Burley within 7 days of fitting. The free second year guarantee is offered subject to the fire being serviced by a Gas Safe™ Registered Engineer (formerly Corgi) during the first year of ownership. Proof of servicing must be retained and provided on request.

Exclusions

This guarantee does not cover:

- Damage resulting from external transportation, improper use or neglect, the replacement of any light bulbs or removable parts of glass or plastic.
- Costs incurred for calls to put right an appliance, which is improperly installed.
- Appliances that are the subject of rental agreements.
- EC Countries - the standard guarantee is applicable but is subject to the owner's responsibility and cost, to ensure the appliance meets the standards set by the country to which the product is taken.

Data Protection

Your details will be stored on a database exclusively for the use of Burley Appliances Ltd and their Gas Safe Engineers, who from time to time may contact you to advise you of new products or services. We will not pass your details on to third parties.

If you do not wish to receive any further information, please tick this box
